

BSB41415 - Certificate IV in Work Health and Safety

Current qualification

Overview

This qualification is suitable for people working in a Work Health and Safety (WHS) role who work to provide leadership and guidance to others and have some limited responsibility for the output of others.

The qualification reflects the role of workers who apply a broad knowledge base and well developed skills in a wide variety of contexts and may include coordinators, advisors and facilitators.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

There are no specific academic entry requirements for this qualification.

Applicants for the Certificate IV in Work Health and Safety are expected to:

- Be able to use a personal computer, including basic word processing, spreadsheet, email programs and internet search engines
- Have a demonstrated capacity in learning, reading, writing, oracy and numeracy competencies to Level 4 of the Australian Core Skills Framework (ACSF). See [Australian Core Skills Framework](#).

The above requirements could be demonstrated by applicants in a variety of ways such as:

- Having completed secondary school to year 12;
- Successful employment in a position that required use of computers in an office situation;
- Verified references from an employer indicating that the applicant has demonstrated the above requirements in their workplace;
- Via an interview process that assesses the applicant's skills.
