

RIIHAN301E - Operate elevating work platform

Current unit

Overview

This unit describes the skills and knowledge required to operate an elevating work platform at any height.

This unit applies to those working in operational roles.

The work required in this unit relates to the National Standard for High Risk Work but this unit does not provide the licence. Licensing, legislative, regulatory or certification requirements that may apply to this unit can vary between states, territories and industry sectors, and must be sourced prior to applying this unit.

This unit alone does not provide sufficient skill to independently load and unload equipment. To perform this activity safely, personnel must either complete or be assisted by someone who has completed RIIHAN308F Load and Unload Plant or equivalent.

Entry Requirements

There are no specific academic entry requirements for this unit.

Applicants for this unit are expected to:

- Have a demonstrated capacity in learning, reading, writing, oracy and numeracy competencies to Level 3 of the Australian Core Skills Framework (ACSF). See Australian Core Skills Framework.

The above requirements could be demonstrated by applicants in a variety of ways such as:

- Having completed secondary school to year 11;
- Verified references from an employer indicating that the applicant has demonstrated the above requirements in their workplace;
- Via an interview process that assesses the applicant's skills.
