

HLTAID003 - Provide first aid

Current unit

Overview

This unit describes the skills and knowledge required to provide a first aid response to a casualty. The unit applies to all workers who may be required to provide a first aid response in a range of situations, including community and workplace settings.

Specific licensing /regulatory requirements relating to this competency, including requirements for refresher training should be obtained from the relevant national/state/territory Work Health and Safety Regulatory Authorities.

Entry Requirements

There are no specific academic entry requirements for this unit.

Applicants for this unit are expected to:

- Be able to use a personal computer, including basic word processing, spreadsheet, email programs and internet search engines
- Have a demonstrated capacity in learning, reading, writing, oracy and numeracy competencies to Level 3 of the Australian Core Skills Framework (ACSF). See [Australian Core Skills Framework](#).

The above requirements could be demonstrated by applicants in a variety of ways such as:

- Having completed secondary school to year 11;
- Successful employment in a position that required use of computers in an office situation;
- Verified references from an employer indicating that the applicant has demonstrated the above requirements in their workplace;
- Via an interview process that assesses the applicant's skills.
