

BSB30719 - Certificate III in Work Health and Safety

Current qualification

Overview

This qualification reflects the role of individuals performing work health and safety (WHS) duties in addition to their main duties. They may provide technical advice and support to a team and apply a range of competencies in varied work contexts. It provides the skills and knowledge required to contribute to a variety of WHS tasks.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

There are no specific academic entry requirements for this qualification.

Applicants for the Certificate III in Work Health and Safety are expected to:

- Be able to use a personal computer, including basic word processing, spreadsheet, email programs and internet search engines
- Have a demonstrated capacity in learning, reading, writing, oracy and numeracy competencies to Level 3 of the Australian Core Skills Framework (ACSF). See [Australian Core Skills Framework](#).

The above requirements could be demonstrated by applicants in a variety of ways such as:

- Having completed secondary school to year 11;
- Successful employment in a position that required use of computers in an office situation;
- Verified references from an employer indicating that the applicant has demonstrated the above requirements in their workplace;
- Via an interview process that assesses the applicant's skills.
