

# JobTrainer Funding

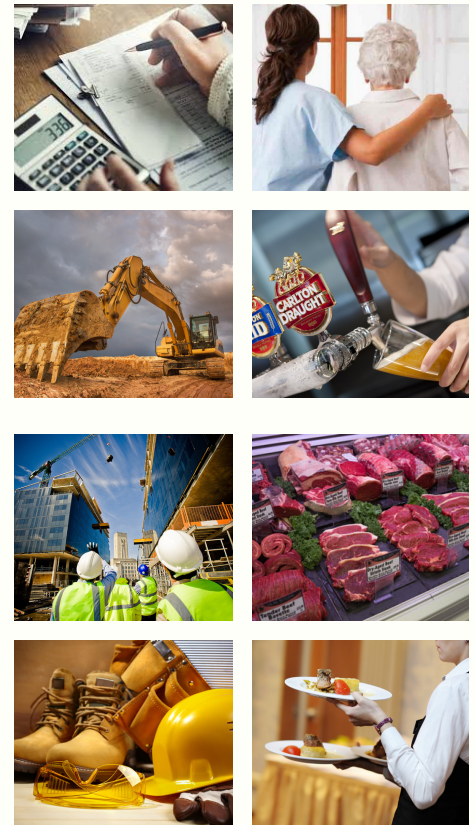

The \$88 million JobTrainer program represents a significant investment into training delivery in South Australia and complements existing efforts under Skilling South Australia and partnerships with providers, employers and industry.

Under JobTrainer, courses listed on the Subsidised Training List (STL) (effective 15th October 2020) are accessible to eligible students at low-cost.

From 15th October 2020 a participant is selected "Eligible for Other Concessions" at the time of creating a Training Account if:

- the participant is not employed; or
- the participant is aged 16 to 24 years old and not enrolled in a secondary school; or
- the participant is a prisoner in a South Australian correctional institution.
