

CPCCLRG3001 - Licence to perform rigging basic level

Current unit

Overview

This unit specifies the skills and knowledge required to safely perform basic rigging work.

Riggers use mechanical load shifting equipment and associated gear to move, place or secure loads, including plant, equipment or members of a structure. Riggers ensure the stability of those members and set up and dismantle hoists.

This unit applies to rigging work involving:

- structural steel erection
- hoists
- pre-cast concrete members of a structure
- safety nets and static lines
- mast climbing work platforms
- perimeter safety screens and shutters
- cantilevered crane loading platforms.

Rigging work is undertaken in construction and other industries where load shifting equipment is used to move, place or secure loads.

Completion of the general construction induction training program, specified in the Safe Work Australia model Code of Practice: Construction Work, is required by anyone carrying out construction work. Achievement of CPCWHS1001 Prepare to work safely in the construction industry meets this requirement.

Competence in this unit does not in itself result in a licence. A licence is obtained after competence is assessed under applicable Commonwealth, state or territory work health and safety (WHS) regulations.

Entry Requirements

Applicants must provide evidence of the successful completion of the unit *CPCCLDG3001 Licence to perform dogging* or hold a valid licence for dogging.

Applicants for this unit are expected to:

- Have a demonstrated capacity in learning, reading, writing, oracy and numeracy competencies to Level 3 of the Australian Core Skills Framework (ACSF). See Australian Core Skills Framework.

The above requirements could be demonstrated by applicants in a variety of ways such as:

- Having completed secondary school to year 11;
- Verified references from an employer indicating that the applicant has demonstrated the above requirements in their workplace;
- Via an interview process that assesses the applicant's skills.

Work Placement Requirements

Not required

CPCCLRG3001 - Licence to perform rigging basic level

Current unit

Licencing Requirements

Students must be over 18 years of age for High Risk Licence training

Upon successful completion of High Risk Licencing units, students are provided with a Tax Invoice to apply for their High Risk Work Licence. There is an additional cost to the student associated with the issuance of the licence, please visit www.safework.sa.gov.au for more information

Other Course Requirements

Students must wear full Personal Protective Equipment (PPE) including steel cap boots, long pants and long sleeved shirt at all times

Course Length

Course length is 5 days

Course Locations

Whyalla, Roxby Downs

Delivery Modes Available

Full-time attendance at a group delivery in a venue conducted by a facilitator

Course Fees

Total course cost \$1,500.00 or \$300.00 with CITB funding

Roxby Downs course cost \$1,950.00 or \$750.00 with CITB funding

Additional costs associated with High Risk Licencing – see above Licencing Requirements
